## More ways you can help!

**FOSTER!** We rely on foster homes in order to save an abandoned pet from being euthanized. Every week, pets die due to lack of temporary housing.

Being a foster parent is fun and rewarding! You can help us care for these animals while they wait for their perfect home. Sarge's can provide food, crates, and pens and will make sure the animal is up to date on their shots.

*"Each time we foster a dog or cat, it is such a rewarding experience knowing you had a hand in giving these animals a safe place to be out of the shelter. We love watching our dogs meet their new families and hearing*

*how they become part of the family!"*  
*Al and Rosa Allomong, Foster Parents and Volunteers*

**VOLUNTEER!** Sarge's is always seeking energetic and dedicated individuals. Join a team of volunteers that are joined together by their compassion and love for cats and dogs of all breeds. New volunteers are assigned a mentor until they are comfortable with a task.

*"I love coming to Sarge's and being a part of the magic that happens when dogs and cats find new homes!"*  
*Debbie Slater, Volunteer*
